

WHAT IS CLAIMED IS:

1. An electronic device comprising;
 - a receiver;
 - a transmitter; and
 - a software programmer.
2. The device of claim 1 further comprising
a charger.
3. The device of claim 1 wherein said receiver comprises modes of paging, advertising and entertainment.
4. The device of claim 1 wherein said receiver has a display which provides entertainment and/or advertising.
5. The device of claim 1 wherein said receiver has a user interface.
6. The device of claim 5 wherein said user interface comprises a keypad or touch panel display.
7. The device of claim 2 wherein said receiver can upload or download software and data to and from said charger.
8. The device of claim 2 wherein said receiver can upload or download software and data through conductive contacts.
9. The device of claim 2 wherein said receiver can perform a wireless upload or download to said charger, transmitter and/or wireless service provider.
10. The device of claim 1 wherein said receiver can perform a wireless upload or download to said transmitter and/or wireless service provider.

11. The device of claim 1 wherein said transmitter informs said receiver of queue status.

12. The device of claim 1 wherein said transmitter tracks the last several pages that were made.

13. The device of claim 1 wherein said transmitter can upload or download software through hard media.

14. The device of claim 13 wherein said hard media is a diskette or CD.

15. The device of claim 1 wherein said transmitter can upload or download software and data through a telecommunication line.

16. The device of claim 1 wherein said transmitter can upload or download software and data through wireless service provider.

17. The device of claim 1 wherein said transmitter stores information relating to how and when said receiver was used.

18. The device of claim 2 wherein a single charger can support many receivers at one time.

19. The device of claim 2 wherein said charger both charges and stores software.

20. The device of claim 2 wherein said charger stores information relating to how and when said receiver was used.

21. The device of claim 2 wherein said charger can upload or download software through hard media.

22. The device of claim 21, wherein said hard media is a diskette or CD.

23. The device of claim 2 wherein said charger can upload or download software and data through a telecommunication line.
24. The device of claim 2 wherein said charger can upload software and data through wireless service provider.
